

Notice of Open House – New Braunfels Outer Loop Study

The Texas Department of Transportation (TxDOT) will conduct an open house to provide information regarding the New Braunfels Outer Loop Study. The purpose of this open house is to present the recommended corridor for the proposed outer loop. TxDOT will present the recommendation to the City of New Braunfels, City of Schertz, Comal and Guadalupe Counties in February 2008. These entities will determine if the recommended route will be adopted into their respective Major Thoroughfare Plans (MTP). The New Braunfels Outer Loop Study Open House, which will present the findings of the study to the general public, will be held:

Thursday, January 31, 2008
Canyon High School
1510 IH 35 East
New Braunfels, TX 78130
5:30 p.m. until 8:30 p.m.

The study area is approximately a 40-mile band around the City of New Braunfels that would encompass portions of Comal and Guadalupe Counties. The purpose of the study is to conduct the necessary planning and analysis needed to identify a corridor for the possible development of a New Braunfels Outer Loop.

At the open house, the public will have the opportunity to view the study's need and purpose, environmental constraints, the alternative screening process and the recommended corridor for the proposed New Braunfels outer loop. Maps illustrating the process and recommendation will be on display.

All interested citizens are invited to attend the open house. Persons interested in attending who require special accommodations, auxiliary aids, or translation services are requested to call our toll-free hotline at (866) 704-1114 at least five (5) business days prior to the open house. TxDOT will make every reasonable effort to accommodate these needs.

Verbal and written comments from the public regarding this study are requested. Comments may be presented during the open house. Written comments may be mailed to the study team at: New Braunfels Outer Loop Study c/o RJ RIVERA Associates, Inc., 7410 Blanco Road, Suite 250, San Antonio, TX, 78216, faxed to (210) 340-5664 or e-mailed to info@nbolstudy.com. Comments must be received no later than ten (10) days following the open house to be included in the open house record. The deadline for submitted comments is Monday, February 11, 2008.
